

AJ Paint Masters are experienced painters whom can help to improve the appearance of any residential home inside and out. We understand that exterior painting will improve the appearance of your home whilst increasing the homes longevity and protecting it from the elements. Fresh paint provides long lasting results that will keep your home looking its best for many years to come.

AJ Paint Masters can help and advise paint types and colour ranges. We can provide swatches and samples for colour matching, colour trends, textured paints, paint finishes and painting effects such as rag rolling and marbling. We can also advise on the use of paint types such as low smell, and non-toxic, surface paints.

A Fresh layer of paint, new colour, feature wall or wallpaper can lighten or enliven a space, bring a dull room to life, and even assist to make rooms and spaces appear larger, roomier or cosier. Speak to one of the friendly AJ Paint Masters team members whom can provide you with a consultation on your paint and colour options.
