

AJ Paint Masters carries out all forms of preparation and painting of heritage and historical listed properties including individual sites, buildings, structures, and places of cultural significance.

We work closely with property owners and facilities managers when painting any heritage listed building keeping with any specified original colour schemes and in accordance with any heritage schedule which specifies that external paint controls apply.

AJ Paint Masters use high quality products and finishes to achieve an excellent and quality end result that meets heritage standards and expectations.

Heritage Property Specialisations and Services

We offer a wide range of heritage property services and solutions for any size job be it small or large. Work is undertaken to meet our customers exact business requirements with a level of service that is second to none. Our heritage property solutions apply to projects such as:

- Exterior painting
- Graffiti removal
- Abrasive blasting and pressure washing
- Interior and common area painting
- Paint and colour consulting
- Exteriors and outdoor timber structures
- Hardwood flooring
- Decorative paint techniques and finishes
- Concrete and hard surface cleaning and sealing
- linemarking and re-marking
- Wallpaper, wallcoverings and murals

Quality Painting and Workmanship

AJ Paint Masters staff are fully qualified and experienced tradesmen. We provide a professional and organised team approach to delivering high quality work to each and every project. No matter how large or small the job our friendly, reliable and courteous team with their commitment to excellence always provides quality work time after time.

Safety Conscious and Fully Insured

We are a safety conscious team with a thorough understanding of Australian regulations and codes of practice and comply with occupational health and safety standards. We are fully insured and covered for public liability and any accidental damage to property that may occur such as paint spills, falls, or other mishaps that could result in injuries or costly property damage.
